### Cosmic Landscape tavolo - Fluo

#### DESIGN BY :

Ross Lovegrove  
2010

#### MATERIALS :

Transparent methacrylate, opal methacrylate

#### DESCRIPTION :

"The Cosmic Landscape appears to have emerged from a digital lava flow of light...out of a ceiling , out of a wall , out of a floor ...releasing its complex shape as algorythmic air.... Liberated into free space it seems to cool into a complex three dimensional sponge of light... appearing dematerialized so its edges blur becoming dimmed and soft on the eyes, changing its colour, enjoying its nebula nature." Materials: transparent methacrylate structure. Injection-moulded opal methacrylate diffuser.

Available in the white light fluorescent version and in the fluorescent version with RGB coloured Led light strip.
